

Laser

Hair removal system

Portable Diode Laser 808nm

• Application

- Fast hair removal and Fixed hair removal for hair line arms, legs, face, mouth, armpit and bikini

• Advantage

- **Powerful:** High quality 500W diode laser to generate the most effective energy.
- **Big Spot Size:** 16*20mm and 12*12 mm for choose. Up to 10 Hz frequency adjustable, highly improved the treatment efficiency.
- **Powerful Cooling System:** Micro channel cooling + Semiconductor cooling + Fans cooling, ensure machine long time working.
- **Comfortable Treatment Experience:** Sapphire temperature can reach -5°C, with energy stacking and on motion technology.
- **Safe:** No skin scattering, no harm to the skin tissue, focus on hair bottom, no side-effect.
- **Long Life Span Warranty:** 10million effective shots warranty
- **More Convenient:** Portable machine, very convenient to take and move.

F808P

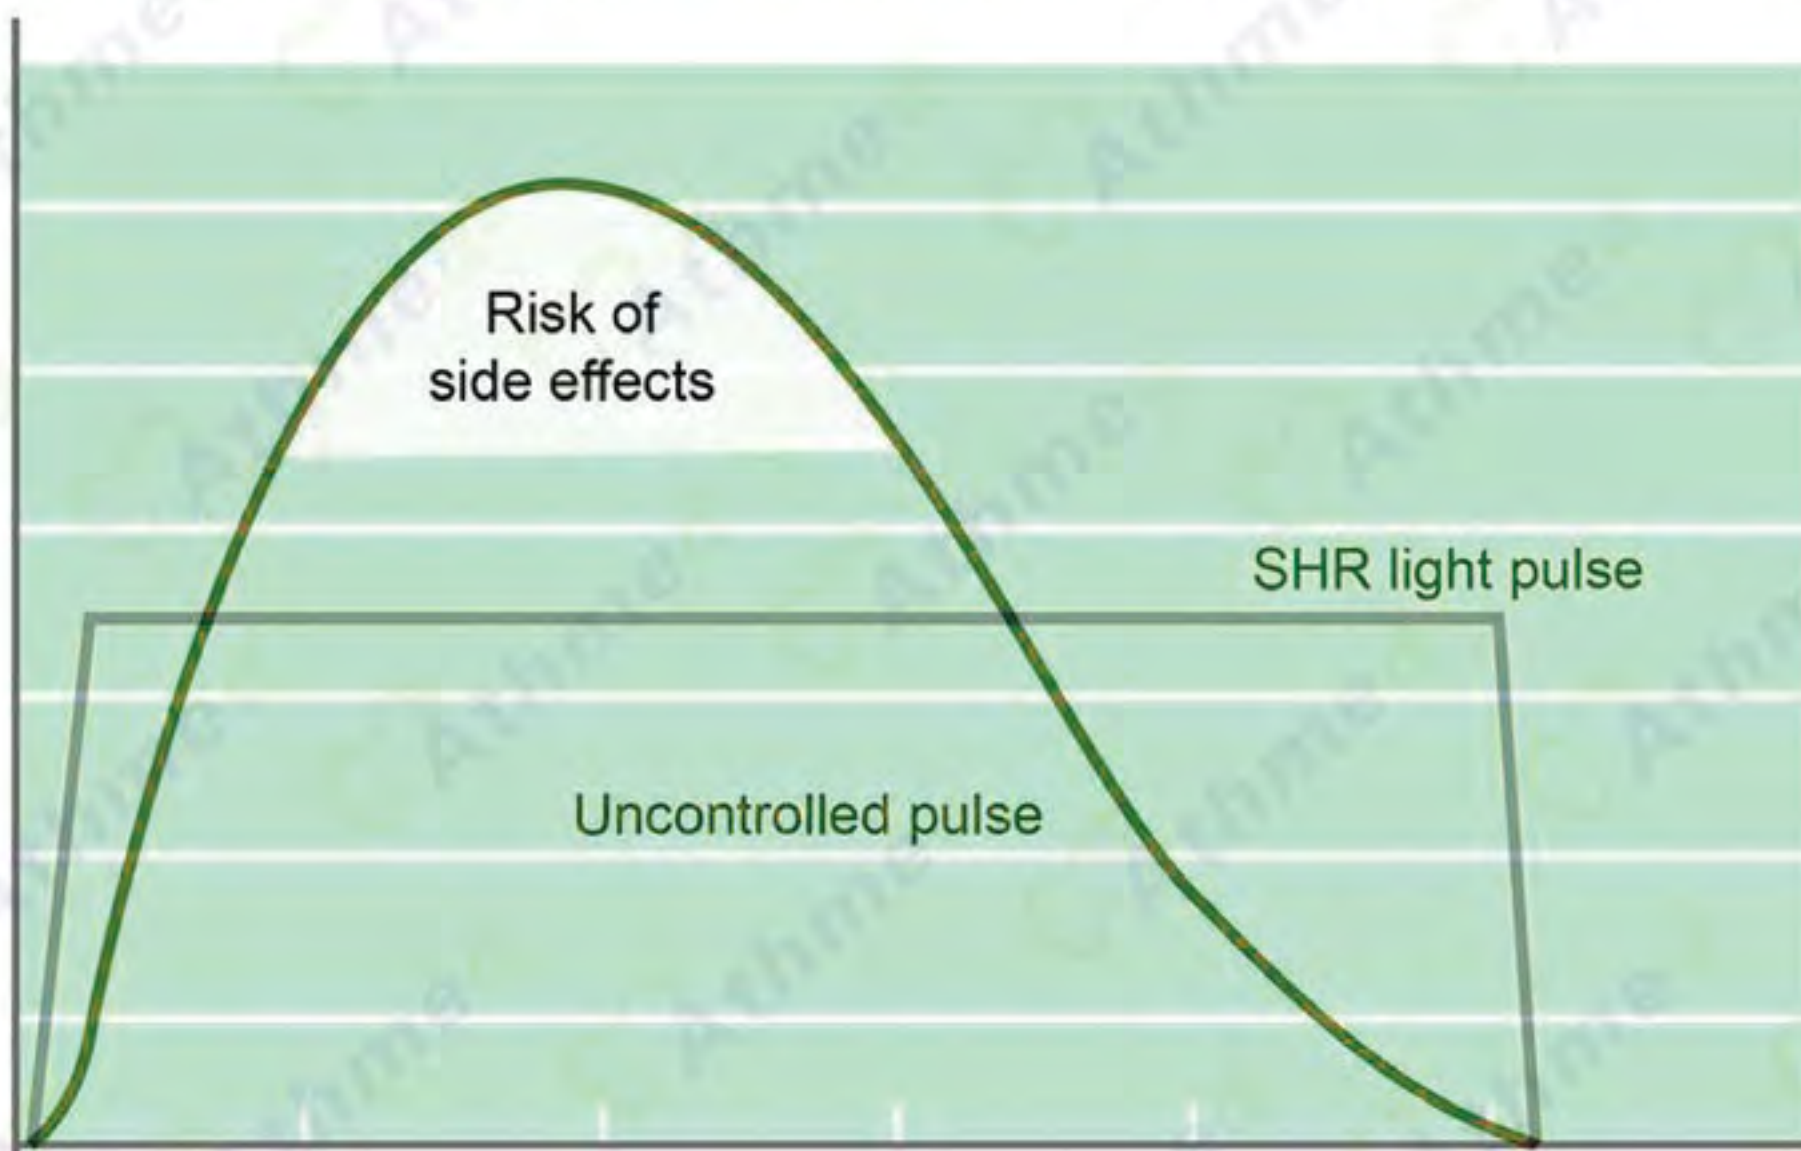

HAIR REMOVAL FOR WHOLE BODY

Professional
Permanent
Fast Hair Removal

Working Principle

- Energy-Stacking:** It vividly shows that the gradual thermal rise to the target therapeutic temperature, without the risk of injury and with much less pain for the patient.

- ON-Motion**
ON-Motion technology represents a breakthrough in patient comfort, speed, of procedures and repeatable clinical results. It provides a gradual thermal rise to the target therapeutic temperature, without the risk of injury and with much less pain for the patient.

Technical Specification

Display:	10.4" true color LCD touch screen
Light sources:	Diode(continues wave)
Laser wavelength:	808nm
Modes:	FHR mode/HR mode
Power supply:	500W
Cooling system:	Semiconductor+air+water
Spot size:	12mm×12mm
Fluency:	Up to 25J/cm2(FHR mode) Upto120J/cm2(HR mode)
Repetition rate:	Up to 10Hz
Pulse duration:	10—400ms
Rated input power:	AC230V+10%,15A 60/50Hz AC110V+10%,60Hz(optional)
Delivery:	Direct coupling through sapphire tip
Electrical:	110V/220V 15Amax50/60Hz
Net weight:	45kg
Dimension of host:	51CMX44CMX45CM
Dimension of package:	56CMX70CMX56CM
Gross Weight:	65kg

Before & After
